

Policy to be located on pg 56 of the Handbook

Publication of Commission Committee Actions

In compliance with the Department of Education requirements, the list of all actions published following the Commission meeting will include final approval of all substantive and structural changes. Additionally, in the Report to the Region on the discussions and policy decisions from the Commission meeting, there will be a report from each of the commission-appointed standing committees (Proposal Review, Eligibility Review, Interim Review, Substantive Change) identifying by percentage proposals 'approved' or 'not accepted' proposals.
